BANDERA 4 H HORSE PROJECT

The Bandera County 4H Horse Project welcomes you to a very exciting and busy year! This information sheet will give you an idea about our project, how we operate, what we do, and what to expect. Also, this will give you some insight and allow you to plan and schedule for our monthly meetings and events. We hope this year you will come away with some valuable information, learn more about horses and horsemanship, sportsmanship, team work, and hopefully meet some new friends.

All you need is a willing attitude!!!

We hold our monthly meetings, the first Thursday of the month and the Jr. Officers, will lead the meeting, and begin each meeting with the 4H Motto and 4H Pledge. We elect Jr. Officers every September, and an Adult Project Leader as needed. Please be advised the meetings could change to the first Tuesday of the month later on in the year, as we have several kids in other activities and we try our best to schedule our meetings so most everyone can attend. There will always be an email sent out in advance to remind our members of our monthly meetings. Most of all our meetings are held in the conference room, across from the Extension Office.

Our Horse Project holds various activities, events, and fundraisers. Some of our activities include our Bandera 4H Youth Rodeo, Balloon Crew for Mounted Shooters, Horse Judging Camp, Horse Judging Contests, Riding Practices, Horse Judging Practice, Horse Bowl, and annual Christmas Party and Year-end awards.

In order to pay for Judging camp and Horse Judging contests, that we attend during the year, and to pay for Year-end awards and lettermen jackets, we have to have fundraisers. Fundraisers are imperative to our Project.

Some of our fundraisers might include Mounted Shooters, Bake Sale at Shoppers Jubilee, a rummage sale, and our Youth rodeo. Please note that we are always open to suggestions for any new ideas.

We also have a Steering Committee consisting of the Project Leader and 5 elected adults. They meet when necessary, decide on awards, organize fundraisers, such as the Youth Rodeo, and bring ideas and policies before the Horse Project Members to vote on.

Our members earn points for attending meetings, fundraisers, practices, and contests that go towards end of year awards and earning a 4H Horse Project Jacket. (Please see the Explanation of Points sheet.)

We have a sign in book, with a dated sheet for that particular event, meeting, practice, etc... For the ***members and adults*** to sign. Please be advised this is how we

keep track of points, and we also are required to turn in all sign sheets to the extension office for their records. It is the member's responsibility to make sure they sign *the sign in sheet*, at all 4H Horse Project events, in order to get their points. It is not the person who keeps track of the point's responsibility to try and remember who was in attendance.

******MAKE SURE YOU ALWAYS SIGN IN******

We are a very active Project, we work hard, we have fun, we learn a lot, and we hope you will enjoy our Horse Project as much as we do!

Just remember, 80% of success is showing up!

The Bandera County 4H Horse Project Members

BANDERA 4H HORSE PROJECT EXPLANATION OF POINTS

Members will earn points throughout the year attending Horse Project meetings, events, and practices. The point year begins June 1, and ends May 31 and awards will be given in August at our year-end party.

Our project relies solely on fundraisers and without our fundraisers, we will not have the opportunities to attend horse judging camps, judging contests, pay for jackets, Christmas parties or year-end awards.

Fundraisers are vital to our project.

The point system is as follow:

Work points (fundraisers) = 50 points

Meetings = 50 points

Events, Contests, Judging Practice = 25 points

(Please Note: The Steering Committee has the authority to award extra points to a member(s) if the situation arises)

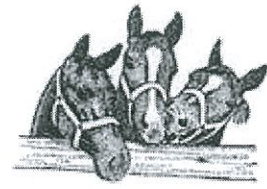

To qualify for Yearend Awards, members must meet the following criteria.

- Members must attend 75% of fundraisers (Ex. If the Horse project has 3 fundraisers, you must attend 2)
- Awards will be given to highest to lowest earner
- You must have at least 250 points + 150 work points, for a total of 400 points, to earn a year end award. (Ex. 5 meetings and 2 fundraisers)

To qualify for a Horse Project Letterman's Jacket, members must meet the following criteria.

- Must have a total of 1000 points.
- Must attend 75% of all fundraisers
- Jackets are limited to 2 in a member's lifetime. (Ex. The member earns their first jacket in 4th grade; they are then eligible to earn one more, because of size, once they start high school.)
